## React – Boxes

---

The following exercise contains the following subjects:

- basics

### Instructions

We want to create 4 components: Box1, Box2, Box3, and Box4:

Box 1 - is the big green box.

Box 2 - is the blue box.

Box 3 - is the pink box.

Box 4 - is the smallest purple box – we use it twice. Note that the boxes contain one another.

Important:

- Box 1 contains Box2.
- Box 2 contains Box3.
- Box 3 two Box4 components.
