React: JSX

React – Boxes

The following exercise contains the following subjects:

- basics

Instructions

We want to create 4 components: Box1, Box2, Box3, and Box4:
Box 1 - is the big green box.
Box 2 - is the blue box.
Box 3 - is the pink box.
Box 4 - is the smallest purple box – we use it twice. Note that
        the boxes contain one another.
Important:
- Box 1 contains Box2.
- Box 2 contains Box3.
- Box 3 two Box4 components.
